

# OCTOBER 2017

## **Message from the Supervisor**

Happy Fall everyone! We had a wonderful first month back at the Nursery School, and are looking forward to a great year.

We will be celebrating Halloween by wearing black and orange during the week leading up to the 31st.

Please check the Parent Information Board for information from Public Health. One form is about reporting immunizations to Public Health, and the other form contains strategies/ideas to make vaccinations easier. If you would like a copy of either of these forms, please let one of the staff know. If your child receives any immunizations, please bring in a copy so our files (and Public Health) are kept up to date.

Thank you!  
Miss Stacey
