

SEPTEMBER 2017

Message from the Supervisor

Welcome to KIDS Co-op to all of our new families, and welcome back to our returning families. We hope you all had a great summer!

We will start each program outside (weather permitting), so please bring a hat and apply sunscreen on your child before bringing him/her to the nursery school. The morning program runs from 9:00-11:45 am, and the afternoon program runs from 12:30-3:15 pm.

When you come in please take your child's name tag (from the file) and place it where his/her coat will be. Please place the snack bag on the shelf below the child's hook (below the bench).

As we have so many families within our school, it is very important that you label all of your child's belongings. If anything has become misplaced make sure to check our lost and found bin in the children's coat area.

Be sure to check your child's file daily as any information that needs to be given to parents from the staff and Board of Directors will be passed through here. Files are arranged alphabetically using children's first names.

Thank you!
Miss Stacey
